**CLA Young Lawyers Program
Learning From the Legends of Cross-Examination
October 22, 2011
Donald Lamont Learning Centre
Law Society of Upper Canada**

You've heard the stories, now watch them in action. The Junior Criminal Lawyers Section is pleased to present to you "Legends of Cross-Examination". Watch the very best advocates of our bar as they demonstrate the technique of a show-stealing cross examination. Learn how they dissect each slice of information and prepare their questions. They will also instruct participants on how they approach each section of the cross, the manner they present in court, and how they overcome uncertainties and ethical issues that arise. Behold as they take on seasoned witnesses who have testified in court hundreds of times and get ready for the fireworks.
